Detergent powder for automatic washing machines

6KG - 3KG

مسحوق منظف للغسالات الأوتوماتيكية

Pervex Automatic Washing Powder is specially formulated to meet the unique needs of automatic washing machines, delivering exceptional cleaning power while being gentle on your fabrics. Designed for both front-loading and top-loading machines, this washing powder ensures optimal performance with every wash.

Key Features:

- 1. Advanced Cleaning Technology:** Pervex automatic washing powder utilizes advanced stain-fighting ingredients that effectively tackle tough stains, grease, and dirt. Its powerful formula ensures that your clothes come out spotless, regardless of the washing cycle.
- 2. Low Suds Formula:** Specifically designed for automatic washing machines, Pervex produces low suds during the wash cycle. This ensures that the machine operates efficiently and helps prevent overflow, while still providing excellent cleaning results.
- 3. Color and Fabric Protection:** Pervex is formulated to be gentle on fabrics, preserving the color and texture of your garments. It helps prevent fading and damage, making it suitable for a wide range of materials, including delicate fabrics.
- 4. Fresh Fragrance:** Infused with a refreshing scent, Pervex automatic washing powder leaves your laundry smelling clean and invigorated. This long-lasting fragrance ensures that your clothes feel fresh even after being stored.
- 5. Easy Dissolution:** The powder dissolves quickly in water, ensuring that all cleaning agents are activated efficiently. This feature guarantees that every garment is treated equally, enhancing overall wash performance.
- 6. Versatile Use:** Pervex automatic washing powder is ideal for various laundry loads, from everyday wear to heavily soiled items. It provides effective cleaning in all water temperatures, making it a versatile choice for any household.

With Pervex Automatic Washing Powder, you can enjoy cleaner, fresher laundry with every wash, while also caring for the quality and longevity of your fabrics.

Freshener And Fabric Softener

Pervex Fabric Softener and Perfume is designed to provide your clothes with softness and a long-lasting fresh fragrance.

Its advanced formula not only softens fabrics but also leaves them with a pleasant scent that lingers after every wash.

Pervex fabric softener reduces static cling and makes ironing easier by keeping fabrics smooth and wrinkle-free. It penetrates deep into the fibers, ensuring that your clothes remain soft to the touch without causing any damage or fading.

In addition to its softening properties, Pervex fabric perfume adds a burst of freshness to your laundry, leaving your clothes smelling clean and revitalized for longer periods. It's ideal for use on all types of fabrics, from delicate garments to heavy towels and linens.

With Pervex Fabric Softener and Perfume, you can enjoy clothes that feel softer, smell better, and maintain their quality wash after wash.
